Living Well In Your Community

Your West Sussex Care Guide 2023/24

Dear Advertiser,

Buzzword Creative, in partnership with West Sussex County Council, are delighted to be starting work on the 2023/24 West Sussex Care Guide, due for distribution in June 2023.

Living Well In Your Community – Your West Sussex Care Guide

The new look Guide's aim is to provide information on supporting the public to live well in West Sussex, with more focus on community-based care and preventative services.

As before, WSCC will be printing 12,500 copies to be distributed free of charge to Adults' Services Offices, Hospitals, GP Surgeries, Public Libraries and a range of voluntary organisations. The general public can request copies from these locations or order a copy direct from WSCC.

As in previous years we are pleased to offer an early booking discount for bookings received by 31st December 2022. Advertising spaces are limited, so take advantage of this and book early to avoid disappointment.

If you would like to advertise in the 2023/24 edition, please complete and return the attached booking form by email or post, with all relevant files for your advertisement. We will send you a proof of your advertisement in due course, which you'll need to check thoroughly and sign-off by return email.

Technical specifications and advice on how to supply text and photographs can be found on the following page. No advertisement can be featured without the advertiser's sign-off and payment must be made prior to publication.

If you have any questions about advertising please do not hesitate to contact our team.

We look forward to hearing from you.

Best regards,

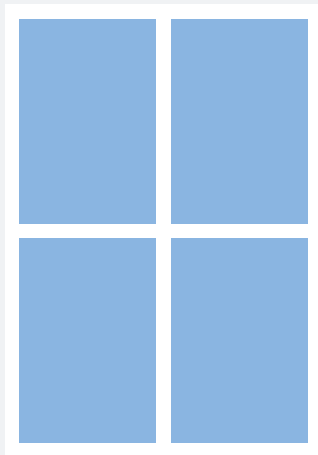

Adam Smith
Project Director
